## DEAR PARISHIONERS...

This weekend Catholic communities around the country will kick-off a week-long celebration of Catholic schools and all the supporters who contribute to the education of our youth.

This year's theme, "Catholic Schools Communities of Faith, Knowledge, and Service," summarizes the daily educational context of our students' lives as they learn about their faith while practicing a virtuous life and learn skills for the 21st century.

Thank you to all who contribute to our local Catholic schools. Your efforts and support are vital to the future of the Church and our nation. Your continued sacrifices ensure that our Catholic youth and their families can build a lasting relationship with our Lord Jesus Christ.

With much gratitude and thanks,  
Kara

The youth made crafts and played games with the children, while the mothers of the children attended class. We also were given a tour and had a discussion on ways to eradicate abuse.
