

# UPCOMING SMALL GROUP STUDY

**Begins Tuesday, January 29**

Jesus did not just humble himself to share in our humanity, such that he could save us from our sins, he also came to establish his Kingdom, his Church. Come encounter this Churches foundation and establishment of Catholicism, by learning about its first leader, St. Peter. The character of St. Peter is both inspiring and confounding to many. How could a stubborn and impulsive fisherman become the “rock” upon which Jesus would build his Church?

Bringing together biblical accounts, historical evidence, Church teaching, traditions, classical art and personal insight, Dr. Tim Gray gives a fresh perspective on Simon Peter that is immediately informative and relevant to our lives. After all, if Jesus could bring out the very best in someone like Peter, then there is hope for the rest of us!

Join us for this 10-week study beginning Tuesday, January 29 from 6:30-7:30 pm in the Small Group Meeting Room (next to the library). No need to register for this study, simply join as you able.

If you aren't able to make all 10 sessions you can view independently through your Formed.org church account.
